

Your trojan's in my head

## Fill in the gaps

(1) it off, take it in	(bis)
Take off all the thoughts of (2) we've been	Take it off, take it in
Take a look, hesitate	Take off all the thoughts of what we've been
Take a picture you could never recreate	(6) a look, (7)
Write a song, make a (3)	Take a (8) you could never recreate
For the lump that sits inside your throat	Write a song, make a note
(4) the locks, change the scene	For the lump that sits inside your throat
Change it all but can't change what we've been	Change the locks, change the scene
Your trojan's in my head	Change it all but can't change what we've been
(bis)	Your trojan's in my head
It's ok if it's gone	(bis)
The (5) that you had that it was the one	Take it off, (9) it in
And oh, what is left for all those times	All the (10) of what we've been
Is that what you get?	Take off all the thoughts of what we've been
Oh, regardless the walls get painted anyway	
Oh, you're guarding the gates, but it all got away
