Fill in the gaps

We ll be coming back by Calvin Harris

We took it all apart	Someone had to draw the line
But I'm wishing I'd stayed	We'll be coming back for you one day
In the back room something I (1) you say	We'll be coming (6) for you one day
We didn't want to call it too early	I don't even care if I know you
Now it seems a world away	Out of our minds
But I miss the thing	Had to leave it all behind
Are we ever gonna (2) the same?	We'll be coming back for you one day
(3) in the light till it's over	We'll be coming back for you one day
Out of our minds	Gonna rise, gonna fool
Someone had to draw the line	(7) pulled apart
We'll be coming back for you one day	And we all do it all because it stole our hearts
We'll be coming back for you one day	Gonna light up the skies, so ignore the stars
I don't even care if I (4) you	And we all do it all because it stole our hearts
Out of our minds	Standing in the (8) it's ove
Had to leave it all behind	Out of our minds
We'll be coming back	Someone had to draw the line
We'll be (5) back for you one day	We'll be coming back for you one day
You can see it from afar	We'll be coming back for you one day
We were riding that wave	I don't even care if I (10) you
Blinded by the lights, and it's something not great	Out of our minds
We didn't want to call it too early	Had to leave it all behind
Now it seems a world away	We'll be coming back for you one day
But I miss the thing	We'll be coming back for you one day
Are we ever gonna feel the same?	
Standing in the light till it's over	
Out of our minds
