

## Fill in the gaps

## See you again by Carrie Underwood

Said goodbye, turned around
And you were gone, gone, gone
Faded into the setting sun
(1) away but I won't cry
Because I know I'll never be lonely
For you are the stars to me
You are the light I follow
I (2) see you again
This is not (3) it ends
I will carry you with me
Till I see you again
I can hear those echoes in the wind at night
Calling me (4) in time
(5) to you in a (6) far away
Where the water meets the sky
The thought of it makes me smile
You are my tomorrow
I will see you again
This is not where it ends

I will carry you with me
(7) I see you again
(8) I feel my heart is breaking
But I stay strong and I hold on because I know
I will see you again
This is not where it ends
I will carry you (9) me
I will see you again
This is not where it ends
I will carry you with me
Till I see you again
Said goodbye, turned around
And you were gone, gone, gone
