

Fill in the gaps

See you again by Carrie Underwood

Said goodbye, turned around		
And you were gone, gone, gone		
Faded into the (1) sun		
Slipped away but I won't cry		
Because I know I'll (2) be lonely		
For you are the stars to me		
You are the light I follow		
I (3) see you again		
This is not where it ends		
I will carry you with me		
(4) I see you again		
I can hear those echoes in the wind at night		
Calling me back in time		
Back to you in a place far away		
(5) the water meets the sky		
The thought of it makes me smile		
You are my tomorrow		
I will see you again		
This is not where it ends		

I will see you again This is not (6) it ends I (7) (8) you with me I will see you again This is not (9) it ends I will carry you with me Till I see you again Said goodbye, turned around	i will carry you with me
But I stay strong and I hold on because I know I will see you again This is not (6)	Till I see you again
I will see you again This is not (6) it ends I (7) (8) you with me I will see you again This is not (9) it ends I will carry you with me Till I see you again Said goodbye, turned around	Sometimes I feel my heart is breaking
This is not (6) it ends I (7) (8) you with me I will see you again This is not (9) it ends I will carry you with me Till I see you again Said goodbye, turned around	But I stay strong and I hold on because I know
I (7) (8) you with me I will see you again This is not (9) it ends I will carry you with me Till I see you again Said goodbye, turned around	I will see you again
I will see you again This is not (9) it ends I will carry you with me Till I see you again Said goodbye, turned around	This is not (6) it ends
This is not (9) it ends I will carry you with me Till I see you again Said goodbye, turned around	I (7) (8) you with me
I will carry you with me Till I see you again Said goodbye, turned around	I will see you again
Till I see you again Said goodbye, turned around	This is not (9) it ends
Till I see you again Till I see you again Till I see you again Said goodbye, turned around	I will carry you with me
Till I see you again Till I see you again Said goodbye, turned around	Till I see you again
Till I see you again Said goodbye, turned around	Till I see you again
Said goodbye, turned around	Till I see you again
	Till I see you again
And you were gone, gone, gone	Said goodbye, turned around
, 5 , 5 , 5	And you were gone, gone, gone
