

## Fill in the gaps

Stuck in the shade of your ego again	I'm (6) it up, I don't want to see
Think you got me tamed	Another fake apology
But it's still pretend	I'm letting it out now, darling
You think I'm under (1) but I have my	It's not me that you think you need
doubts	It's not me because we have grown apart
Stuck on repeat like a broken cassette	Let me go because I need release
Sitting (2) smoking your cigarettes	I won't be screwed in your paper heart
I'm burning on bruised	Paper heart, paper, paper heart paper
And I'm going out	And all of the dirt and the (7) weather
I'm shrugging it off	Says we don't fit together
All the (3) that you do	I'm drawing the line now darling
Because I'm bored to death with you	It's not me (8) you think you need
I'm cutting the chord now darling	It's not me (9) we have grown apart
It's not me that you think you need	Let me go because I need to breath
It's not me because we have (4) apart	I won't be screwed in your paper heart
Let me go because I need to breath	It's not me that you (10) you need
I won't be screwed in your paper heart	It's not me because we have grown apart
I won't do what I'm told	Let me go because I need to breath
You won't say what you mean	I won't be screwed in your paper heart
You were so hurt and (5)	
And lost me in-between	
You love with your hate and your petty games
