

Fill in the gaps

No one (1) (2) it's like	Can show (15)
To be the bad man	But my dreams, they aren't as empty
To be the sad man	As my conscience (16) to be
Behind blue eyes	I have hours, only lonely
No one knows what it's like	My love is vengeance
To be hated	That's never (17)
To be fated	When my (18) clenches, crack it open
To (3) only (4)	Before I use it and (19) my cool
But my dreams, (5) aren't as empty	When I smile, (20) me (21) bad news
As my (6) to be	Before I laugh and act like a fool
have hours, only lonely	And if I swallow anything evil
My love is vengeance	Put your (22) (23) my throat
That's never (8)	And if I shiver, please give me a blanket
No one knows (9) it's like	Keep me warm, let me wear your coat
To (10) these feelings	No one (24) (25) it's like
Like I do	To be the bad man
And I (11) you!	To be the sad man
No one (12) back as hard	Behind blue eyes
On (13) anger	
None of mv (14) and woe
