Woke up, woke up in New York City lying on the floor	I don't care no, because you don't care, no
Just outside of Mercy's West 54, well	Get lost in this city trying to find myself
You gonna know my (1) by the end of the night	I wind up, good different persons (9) down
yeah	Somebody else I know
You (2) know my (3) by the end of	It ain't right but this song in my head, oh
the night, well	I'm surprised tha I'm still alive, I should be dead
Bright lights, big city going to my head	Bright lights, big city going to my head
Bright lights, big city going to my head	Bright lights, big city going to my head
Bright lights, big (4) going to my head	Bright lights, big city going to my head
I don't care no, because you don't care, no	I don't care no, because you don't care, no
Stuck off with the bottle ended it up with the bottle	You gonna know my name
Taking shots, waiting on the morrow	You gonna know my name
Trying to fill up, was hollow	You gonna know my name
You (5) know my name	You gonna know my (10) by the end of the night
You gonna know my name	well
(6) lights, big (7) going to my

Bright lights, big city going to my head
