

## Fill in the gaps

Melt Antarctica, (1) Africa
I failed algebra and I miss you sometimes
We're at war again
Save the world again
You can all join in
But you can't smoke inside
You said "take me home, I can't stand this place
Because there's too many hipsters
And I just can't relate"
You're my neon gypsy, my desert rain
You're my helter skelter
Oh how can I explain
(2) you're the best I ever had
And I'm trying not to get stuck in my head
But I read that (3) kills you and Jesus saves
On a bathroom wall where I saw your name
You're the best I ever had
I won't be the same
Night sky full of drones
This neighborhood of clones
I'm looking at the crowd and
They're staring at their phones
They groom the coastline here
It's starting to disappear -Oh my God-
And maybe once a year
I think to clean my car
I caught my reflection, I (4) the call
I've been medicating with cigarettes and alcohol

I got vertigo, no I can't see straight

I got obligations though I'm usually late
But you're the best I ever had
And I'm trying not to get stuck in my head
But I think I dropped my wallet in Santa Fe
Lost the only picture I had of you (5) day
And you're the best I ever had
I won't be the same
Hey West Virginia, Hey North Dakota
I think I (6) you but don't even know you
Hey Massachusetts, Hey Minnesota
I think I love you but don't even know you
Hey Carolina, Hey Oklahoma
I think I love you but don't (7) know you
Hey Alabama, Hey California
I think I love you but don't even know you
You're the best I ever had
And I'm trying not to get stuck in my head
But I passed a lonely sign on the interstate
Saying "find someone before it gets too late"
You're the best I (8) had
I won't be the same
Hey West Virginia, Hey North Dakota
I think I love you but don't even know you
Hey Massachusetts, Hey Minnesota
I think I love you but don't even know you
Yeah, I won't be the same
