## Disconnected by Keane

## Fill in the gaps

Some things crept in under our door
Silence soaking through the floor
Pinching like a stone in my shoe
Some chemical that's breaking down the glue
That's been biding me to you
Oh, I feel like I just don't know you anymore
But I've been burned and
I've been wrong so many times
We walk in circles the blind (1) the blind
Well I thought that love watched over this house
But you're boarding up the windows now
We've been leaning on each other so hard
(2) so tight we wound up miles apart
Making simple things so hard
Oh, I (3) like I just don't (4) you
anymore
But I've been burned and
I've been down so many times
We walk in (5) the blind
(6) the blind
We've been disconnected somehow
There's an invisible (7) between us now

But ive been (8) and
I've been (9) so many times
We walk in circles the blind leading the blind
I see the landscape change before my eyes
The features I've been navigating by
No, nothing looks the way it did before
I don't know where to look or what to look for
I feel like I just don't know you anymore
But I've been burned and
I've (10) down so many times
We walk in circles, the blind leading the blind
We've been disconnected somehow
There's an invisible wall between us now
But I've been wrong and
I've been down so many times
We walk in circles the blind leading the blind
We've been disconnected somehow
There's an invisible wall between us now
