

Fill in the gaps

Walk through walls by Kyla La Grange

Did you run (1) doors	Oh, take this, don't look (15)
(2) you hit the floor?	(16) me
Did you (3) my eyes and my (4)	Oh, stay here, don't touch without feeling me
thoughts?	And you're two feet away from my arms
Did you walk (5) walls	But my head is weighed down by the spark
(6) you had to crawl?	And it's too much to take (17) you turn
Oh my God your smile	When I still haven't (18) what I've learned
And my soundless calls	Get up, get up, get up
Get up, get up	My heart is heavy
My heart is heavy	Sit up, sit up, enough already
Sit up, sit up, enough already	Oh, take this, don't look without seeing me
Oh, (7) this, don't look without (8)	Oh, (19) here, don't (20) without
me	feeling me
Oh, (9) here, don't (10) without	Get up, get up
feeling me	My heart is heavy
Don't you see?	Do you want to go?
Did the light leave holes?	Sit up, sit up, enough already
Where the ceiling rolled	Did the light (21) holes?
Did you lay your head as it all took hold?	Oh, take this, don't (22) (23)
Did you (11) so (12) I didn't see you	seeing me
go?	Did you lay your head?
Oh, I (13) I had, I wish I'd known	Oh, (24) here, don't touch without feeling me
Get up, get up	Don't you see?
My (14) is heavy	
Sit up, sit up, sit up	
Enough already
