

## Fill in the gaps

Tell me none of your longings	I've been better with the things I said
I don't need them or you	When I took the lead instead of being lead
And leave me none of your wisdom	I've been better when the sky was red
I don't need your lies or (1) truths	And a face like (6) couldn't make me scared
I've been better when the sky was red	I've been better with the things I said
And a face like yours couldn't make me scared	When I took the lead instead of being lead
I've been better (2) the (3) I said	I've been better (7) the sky was red
When I took the lead instead of being lead	And a face like yours couldn't make me scared
Feed me (4) of your lines	I've been better with the things I said
I won't fall for them, because I'll lose	When I took the lead instead of being lead
And hold me to (5) of my words	I've (8) better (9) the sky was red
I don't mean them when I'm with you	And a face like yours couldn't make me scared
And the cars streak past with a life inside	I've been better with the things I said
Why is my life in your eyes?	When I took the lead instead of being lead
And the windows glow	I've been better, I've been better
With the hearts they've known	I've been better, I've been better oh
Why is my heart never mine?	(bis)
I've been better when the sky was red	
And a face like yours couldn't make me scared
