

Fill in the gaps

Tell me none of your longings	I've been better with the things I said
I don't (1) them or you	When I took the (18) instead of being lead
And leave me none of your wisdom	I've been better when the sky was red
I don't need your lies or your truths	And a face (19) yours couldn't make me scared
I've (2) better when the sky was red	I've been better with the things I said
And a face like (3) couldn't (4) me	When I took the lead instead of being lead
scared	I've been better (20) the sky was red
I've been better with the (5) I said	And a (21) like (22) couldn't make
(6) I took the lead instead of (7) lead	me scared
Feed me (8) of your lines	I've (23) better with the things I said
I won't fall for them, (9) I'll lose	When I took the lead instead of being lead
And hold me to none of my words	I've been better when the sky was red
I don't (10) (11) when I'm with you	And a face like yours couldn't make me scared
And the cars streak past with a (12) inside	I've (24) better with the things I said
Why is my life in your eyes?	When I took the lead instead of being lead
And the windows glow	I've been better, I've been better
With the (13) they've known	I've (25) better, I've been better oh
Why is my heart never mine?	(bis)
I've (14) better (15) the sky was red	
And a (16) like (17) couldn't make	
me scared
