

Fill in the gaps

Tell me (1) of your longings	I've been better with the things I said
I don't need them or you	When I (5) the lead instead of being lead
And leave me none of your wisdom	I've been better when the sky was red
I don't need your lies or your truths	And a face like yours couldn't make me scared
I've been better when the sky was red	I've been better with the things I said
And a face like yours couldn't make me scared	When I took the lead instead of being lead
I've been better with the things I said	I've been (6) when the sky was red
When I took the lead instead of being lead	And a face like yours couldn't make me scared
Feed me (2) of your lines	I've been better with the things I said
I won't fall for them, because I'll lose	When I took the lead instead of being lead
And hold me to (3) of my words	I've been better when the sky was red
I don't mean them when I'm with you	And a (7) like yours couldn't make me scared
And the cars streak past (4) a life inside	I've been better with the things I said
Why is my life in your eyes?	When I took the (8) (9) of being
And the windows glow	lead
With the hearts they've known	I've been better, I've been better
Why is my heart never mine?	I've (10) better, I've been better oh
I've been better when the sky was red	(bis)
And a face like yours couldn't make me scared
