## Nothing To Fear by Chris Rea

## Fill in the gaps

I feel your heat in dusty whispers	
The (1) is cold (2) yo	ur moon
It's getting hard to keep our distance	
I know your time is coming soon	
Don't point your dream on my horizon	
Don't (3) your rose too far from home	
Please don't forget we're not each other	
Each (4) has black thorns of his own	
I see you dancing	
Your song is clear	
You've got to show me, got to show me	
There's nothing to fear	
Nothing to fear	
I (5) my loved (6) you have	e yours
So let us gaze (7) the feast	
In God's own name let's eat together	
In God's own name please (8) in peace	ce
See how our children (9) together	
While you and me we stand alone	
I know we'll never be each other	
If I leave you leave me alone	
I see you dancing	
Your song is clear	
You've got to show me, got to show me	
There's nothing to fear
