

## Fill in the gaps

Yeah, it's been a bumpy road	Be your (14) when you're lost
Roller coasters high and low	And you should (15) it wherever it may go
Fill the tank and drive the car	When it's all said and done
(1) fast, pedal hard	You can walk (16) of run
You won't have to go that far	Because no matter what
You (2) to (3) up because it's dark	You'll never be alone
We're really not (4) far apart	(17) be alone
So let your heart sweetheart	Never be alone
Be your compass (5) you're lost	You want to (18) up because it's dark
And you should follow it (6) it may go	We're (19) not that far apart
When it's all said and done	So let your (20) sweetheart
You can walk instead of run	Be your compass when you're lost
Because no (7) what	And you (21) follow it
Because no (7) what You'll never be alone	And you (21) follow it (22) it may go
	, , , , , , , , , , , , , , , , , , , ,
You'll never be alone	(22) it may go
You'll never be alone  Never be alone	(22) it may go When it's all (23) and done you can walk instead
You'll never be alone  Never be alone  Never be alone	(22) it may go  When it's all (23) and done you can walk instead of run
You'll never be alone  Never be alone  Never be alone  Forgot directions on (8) way	(22) it may go  When it's all (23) and done you can walk instead of run  Because no matter what
You'll never be alone  Never be alone  Never be alone  Forgot directions on (8) way  Don't close your (9) don't be afraid	(22) it may go  When it's all (23) and done you can walk instead of run  Because no matter what  You'll never be alone
You'll never be alone  Never be alone  Never be alone  Forgot directions on (8) way  Don't close your (9) don't be afraid  We might be (10) late at night	(22) it may go  When it's all (23) and done you can walk instead of run  Because no matter what  You'll never be alone  Never be alone
You'll never be alone  Never be alone  Never be alone  Forgot directions on (8) way  Don't close your (9) don't be afraid  We might be (10) late at night  I can't wait (11) you arrive	(22) it may go  When it's all (23) and done you can walk instead of run  Because no matter what  You'll never be alone  Never be alone  (24) be alone
You'll never be alone  Never be alone  Never be alone  Forgot directions on (8) way  Don't close your (9) don't be afraid  We might be (10) late at night  I can't wait (11) you arrive  (12) you'll be alright	(22) it may go  When it's all (23) and done you can walk instead of run  Because no matter what  You'll never be alone  Never be alone  (24) be alone  When it's all said and done
