Diamonds And Rust by Judas Priest

I'll be damned, here comes your ghost again

But that's not unusual

It's just that the moon is full

And you decided to call

And here I sit, hand on the telephone

Hearing the (1)_____ I'd known

A couple of light years ago

Heading straight for a fall

But we both know what memories can bring

They bring diamonds and rust

Yes we both know what memories can bring

They bring diamonds and rust

Now I see you standing all around and snow in your hair

Now we're smiling out the window of the crummy hotel over Washington Square

Our breath (2)_____ on white clouds, mingles and hangs in the air

Speaking (3)_____ for me, we both could've died (4)_____ and there

Now you're (5)_____ me you're not nostalgic

Then give me another (6)_____ for it

You were so good with words

And at keeping things vague

'Cause I need some of that vagueness now

It's all (7)_____ back too clearly

Yes, I (8)_____ you dearly

And if you're offering me diamonds and rust, I've already paid

But we both know (9)_____ memories can bring

They bring diamonds and rust

Yes we (10)_____ know what memories can bring

They bring diamonds and rust

Diamonds, Diamonds and Rust

Diamonds, Diamonds and Rust

Diamonds, Diamonds and Rust

Don't want no more diamonds, diamonds and rust

Answer

1. voice
2. comes
