Diamonds And Rust by Judas Priest

I'll be damned, here comes your (1)_____ again

But that's not unusual

It's just that the moon is full

And you decided to call

And (2)_____ I sit, hand on the telephone

Hearing the voice I'd known

A couple of light years ago

Heading straight for a fall

But we both know what memories can bring

They bring diamonds and rust

Yes we both know what memories can bring

They bring diamonds and rust

Now I see you standing all around and snow in your hair

Now we're smiling out the window of the crummy hotel over

(3)_____ Square

Our breath comes on (4)_____ clouds, mingles and

hangs in the air

Speaking strictly for me, we both could've died then and there

Now you're (5)_____ me you're not nostalgic

Then give me another word for it

You were so good with words

And at keeping things vague

'Cause I need some of (6)_____ vagueness now

It's all (7)_____ back too clearly

Yes, I love you dearly

And if you're offering me diamonds and rust, I've already paid

But we both (8)_____ what memories can bring

They bring diamonds and rust

Yes we both know what memories can bring

They bring diamonds and rust

Diamonds, Diamonds and Rust

Diamonds, (9)_____ and Rust

Diamonds, Diamonds and Rust

Don't want no more diamonds, diamonds and rust

Answer

1. ghost
2. here
3. Washington
4. white
5. telling
6. that
