Fill in the gaps

Diamonds And Rust by Judas Priest

I'll be damned, here (1) your ghost again	Then (14) me another word for it
But that's not unusual	You (15) so good (16) words
It's just (2) the (3) is full	And at keeping (17) vague
And you decided to call	'Cause I need some of that vagueness now
And (4) I sit, hand on the telephone	It's all come (18) too clearly
Hearing the voice I'd known	Yes, I love you dearly
A couple of (5) (6) ago	And if you're offering me (19) and rust,
Heading straight for a fall	I've (20) paid
But we both know what memories can bring	But we both know what memories can bring
They bring (7) and rust	They (21) diamonds and rust
Yes we both know what (8) can bring	Yes we both (22) (23)
They bring (9) and rust	(24) can bring
Now I see you standing all around and snow in your hair	They (25) diamonds and rust
Now we're smiling out the window of the crummy	Diamonds, Diamonds and Rust
(10) over Washington Square	Diamonds, Diamonds and Rust
Our breath comes on (11) clouds, mingles and	Diamonds, Diamonds and Rust
(12) in the air	Don't (26) no (27) diamonds, diamonds
Speaking (13) for me, we both could've	and rust
died then and there
