

People call me superstitious

Fill in the gaps

Well they'd better watch their tongue
This one is so malicious
Got me on the hit-and-run
Mirrors and suicide, it's got me terrified
Shock horror deep inside
Intuition never lies
You always get what you want
Just by strutting your stuff
-Give up-
Come on and give up control
-Give up-
Give up tainting my soul
-Give up-
You stand so tall
You come and take it all
-Give up-
Come on and give up control
Saw you in a magazine and I read your double spread
What does the future holds?
Well you'd better (1) your head
People talking through my mind, (2) it down
Losing time under pressure so unwind
Catch you some other time
You always get (3) you want
Just by strutting your stuff
-Give up-

Come on and give up control
-Give up-
Give up tainting my soul
-Give up-
You stand so tall
You come and take it all
-Give up-
Come on and (4) up control
You're pretty, good looking
But I'm (5) for a way out
You're pretty, good looking
But I'm looking for a way out
(6) pretty, (7) looking
But I'm looking for a way out, out, out
So you should give it up
-Give up-
(O)
(8) on and give up control
-Give up-
-Give up-
-Give up- Give up tainting my soul
-Give up- Give up tainting my soul -Give up-
-Give up- Give up tainting my soul -Give up- You (9) so tall
-Give up- Give up tainting my soul -Give up- You (9) so tall You come and take it all
