

Like it always does, always does

Fill in the gaps

Extreme (1) are back again	Extreme songs (6) told me
Extreme places I didn't know	They helped me down every night
I broke everything new again	I didn't have much to say
Everything that I'd owned	I didn't get above the light
I threw it out the windows	I closed my eyes and closed myself
Came along extreme ways I know	And closed my world and never opened up to anything
Move apart the colors of my sea	That could get me along
Perfect color me	I had to close down everything
Extreme ways that help me	I had to close (7) my mind
That help me out late at night	Too many things to cover me
(2) I had done	Too much can make me blind
But never see any light	I've seen so much in so many places
Dirty basements, dirty noise	So many heartaches, so many faces
Dirty places coming through	So many dirty (8) you couldn't believe
Extreme worlds alone	I would (9) in line for this
Did you ever like it planned?	It's always good in (10) for this
I would stand in line for this	Oh baby, oh baby
There's always room in life for this	Then it fell apart, fell apart
Oh baby, oh baby	Oh baby, oh baby
(4) it fell apart, (5) apart	Then it fell apart, it fell apart
Oh baby, oh baby	Oh baby, oh baby
Then it fell apart, it fell apart	Then it fell apart, it fell apart
Oh baby, oh baby	Oh baby, oh baby
Then it fell apart, it fell apart	Like it always does, always does
Oh baby, oh baby
