## When We Stand Together by Nickelback

One more depending on a prayer		We must stand together
And we all look away		There's no getting even
People pretending everywhere		Hand in hand forever
It's just another day		That's when we all win
There's (1) flying (2)	the	That's, that's, that's when we all win
air		That's, that's, that's when we all win
And they still carry on		The right thing to (5) us
We watch it happen over there		Is right here, (6) us
And then just (3) it off		No one can divide us
We must stand together		When the light is leading on
There's no getting even		But just like a heartbeat
Hand in hand forever		The (7) carries on
That's when we all win		And the drumbeat carries on
That's, that's when we all win		Just like a heartbeat
That's, that's when we all win		We must stand together
They tell us everything's allright		There's no getting even
And we just go along		Hand in hand forever
How can we fall asleep at night?		That's when we all win
When something's clearly wrong		That's, that's, that's when we all win
When we could (4) a starving world		That's, that's (8) we all win
With what we throw away		
But all we serve are empty words
