All these kind of places	And I sit and pray
Make it seems like it's been ages	They (15) (16) my strife
And (1) sun with buildings scrape the	But then my (17) called to say
sky	The pension funds (18) gone
I love this country dearly	He made some bad investments
I can feel the latter clearly	Now the counts are overdrawn
But never thought I'd be alone to try	I took a walk
Once I was outside (2) station	Take a walk, (19) a walk, take a walk
(3) red and (4) carnations	(bis)
We were still alone, my (5) and I	Honey, it's (20) son
(6) we married, saved my money	I think I (21) just too much
Brought my dear wife over	We have taxes, we (22) bill
Now I work to bring my family stateside	We have a (23) to front
Got off the boat, they stayed a while	And tonight I swear I'll come home
Then scattered across the coast	And we'll make love (24) we're young
Once a year I'll see them for a week or so at most	And (25) you'll cook dinner
I took a walk	For the (26) and their kids
Take a walk, (7) a walk, take a walk	We can rip apart the socialists
(bis)	And all their (27) taxes
Practice isn't perfect but the market cuts a loss	You'll see I am no criminal
I (8) (9) that times	I'm down on both bad knees
(10) be much worse	I'm just too much a coward
My (11) won't ask me questions	To (28) when I'm in need
There's not so much to ask	I took a walk
And she'll (12) flaunt around an empty purse	Take a walk, take a walk, take a walk
Watch my mother lacking	(bis)
Just to stay a couple nights	
And decided she would stay the rest of her life	
I watch my (13) children	
Play (14) boardgame in the kitchen
