

## Blurry by Puddle of Mudd

Everything's so blurry and everyone's so fake

And everybody's empty and everything is so

(1)\_\_\_\_\_ up

Preoccupied without you I cannot live at all

My whole world surrounds you, I stumble (2)\_\_\_\_\_ I  
crawl

You could be my someone

You could be my seed

You know (3)\_\_\_\_\_ I'll protect you from all of the  
obscene

I wonder what you're doing, imagine where you are

There's (4)\_\_\_\_\_ in between us but that's not very  
far

Can you take it all away?

Can you take it all away?

Well you (5)\_\_\_\_\_ it in my face

This pain you gave to me

Can you take it all away?

Can you take it all away?

Well you shoved it in my face

(6)\_\_\_\_\_ is changing

There's no one left that's real

To make up your own ending

And let me know just how you feel

(7)\_\_\_\_\_ I am lost without you, I cannot live at all

My whole world surrounds you I stumble then I crawl

Then you could be my someone, you could be my seed

You know that I'll save you from all of the unclean

I wonder what you're doing I wonder (8)\_\_\_\_\_ you are

There's oceans in between us but that's not very far

Can you take it all away?

Can you take it all away?

## Fill in the gaps

Well you shoved it in my face

This pain you gave to me

Can you take it all away?

Can you take it all away

Well you shoved it in my face

Explain again to me

Can you take it all away?

Can you take it all away?

Well you shoved it in my face

This pain you gave to me

No, nobody told me (9)\_\_\_\_\_ you thought

Nobody told me what to say

Everyone showed you where to turn

Told you when to runaway

(10)\_\_\_\_\_ told you where I hide

Nobody told you what to say

Everyone shows you where to turn

Showed you where to runaway

Can you take it all away?

Can you take it all away?

Well you shout it in my face

Explain again to me, no

Explain again to me

You take it all, take it all away

Explain again to me
