

Fill in the gaps

Everything's so blurry and everyone's so fake	Well you (15) it in my face
And everybody's empty and everything is so messed up	This (16) you gave to me
Preoccupied without you I (1) live at all	Can you (17) it all away?
My (2) (3) surrounds you, I	Can you (18) it all away
stumble then I crawl	Well you shoved it in my face
You could be my someone	Explain (19) to me
You could be my seed	Can you take it all away?
You know that I'll protect you from all of the obscene	Can you take it all away?
I wonder what you're doing, (4) where you	Well you shoved it in my face
are	This (20) you (21) to me
There's oceans in between us but that's not very far	No, nobody told me what you thought
Can you take it all away?	Nobody told me what to say
Can you take it all away?	Everyone showed you where to turn
(5) you shoved it in my face	Told you when to runaway
This pain you gave to me	Nobody told you where I hide
Can you (6) it all away?	Nobody told you what to say
Can you take it all away?	Everyone shows you (22) to turn
Well you shoved it in my face	(23) you where to runaway
Everyone is changing	Can you take it all away?
There's no one left that's real	Can you take it all away?
To make up your own ending	Well you shout it in my face
And let me know just how you feel	Explain (24) to me, no
Because I am (7) without you, I cannot	Explain (25) to me
(8) at all	You (26) it all, take it all away
My (9) world surrounds you I stumble then I	Explain again to me
crawl	
Then you could be my someone, you could be my seed	
You (10) that I'll save you from all of the unclean	
I wonder what you're doing I wonder (11) you	
are	
There's oceans in (12) us but that's not	
(13) far	
Can you (14) it all away?	
Can you take it all away?
