

## Fill in the gaps

### Blurry by Puddle of Mudd

Everything's so blurry and everyone's so fake

And everybody's (1)\_\_\_\_\_ and everything is so messed up

Preoccupied without you I cannot (2)\_\_\_\_\_ at all

My whole world surrounds you, I stumble then I crawl

You could be my (3)\_\_\_\_\_

You could be my seed

You know that I'll protect you from all of the obscene

I wonder what you're doing, imagine where you are

There's oceans in between us but that's not very far

Can you take it all away?

Can you take it all away?

Well you shoved it in my face

This pain you gave to me

Can you take it all away?

Can you take it all away?

Well you shoved it in my face

Everyone is (4)\_\_\_\_\_

There's no one left that's real

To make up your own ending

And let me know just how you feel

Because I am (5)\_\_\_\_\_ without you, I cannot live at all

My whole world surrounds you I stumble then I crawl

Then you could be my someone, you could be my seed

You know that I'll save you from all of the unclean

I wonder what you're doing I wonder where you are

There's oceans in between us but that's not very far

Can you take it all away?

Can you take it all away?

Well you shoved it in my face

This pain you gave to me

Can you take it all away?

Can you take it all away?

Well you shoved it in my face

Explain again to me

Can you take it all away?

Can you (6)\_\_\_\_\_ it all away?

Well you shoved it in my face

This pain you gave to me

No, nobody told me what you thought

Nobody told me what to say

Everyone showed you where to turn

(7)\_\_\_\_\_ you when to runaway

Nobody told you (8)\_\_\_\_\_ I hide

Nobody told you what to say

Everyone shows you (9)\_\_\_\_\_ to turn

Showed you where to runaway

Can you (10)\_\_\_\_\_ it all away?

Can you take it all away?

Well you shout it in my face

Explain again to me, no

Explain again to me

You take it all, take it all away

Explain again to me
