Everything's so blurry and everyone's so fake	Well you shoved it in my face
And everybody's empty and everything is so messed up	This pain you gave to me
Preoccupied without you I (1) live at all	Can you take it all away?
My whole (2) surrounds you, I stumble then I	Can you take it all away
crawl	Well you shoved it in my face
You could be my someone	Explain again to me
You could be my seed	Can you take it all away?
You know that I'll (3) you from all of the	Can you (7) it all away?
obscene	Well you (8) it in my face
I wonder (4) you're doing, imagine	This pain you gave to me
(5) you are	No, nobody (9) me what you thought
There's oceans in between us but that's not very far	Nobody told me what to say
Can you take it all away?	Everyone showed you where to turn
Can you take it all away?	Told you when to runaway
Well you shoved it in my face	Nobody told you where I hide
This pain you gave to me	Nobody told you what to say
Can you take it all away?	(10) shows you where to turn
Can you take it all away?	Showed you where to runaway
Well you shoved it in my face	Can you take it all away?
Everyone is changing	Can you take it all away?
There's no one left that's real	Well you shout it in my face
To make up your own ending	Explain again to me, no
And let me know just how you feel	Explain again to me
Because I am lost without you, I cannot live at all	You take it all, take it all away
My whole world (6) you I stumble	Explain again to me
then I crawl	
Then you could be my someone, you could be my seed	
You know that I'll save you from all of the unclean	
I wonder what you're doing I wonder where you are	
There's oceans in between us but that's not very far	
Can you take it all away?	
Can you take it all away?
