

Stay by Rihanna

Fill in the gaps

All along it was a (1)_____

A cold sweat hot-headed believer

I threw my hands in the air

Said show me something

He said if you dare come a little closer

Round and around and around and around we go

Oh now (2)_____ me, now tell me now, tell me now, you know

Not really sure how to feel about it

Something in the way you move

Makes me feel like I can't live without you

And it takes me all the way

I want you to stay

It's not much of a life you're living

It's not (3)_____ something you (4)_____ it's given

Round and around and around and around we go

Oh now tell me now, tell me now, tell me now, you know

Not really sure how to feel about it

(5)_____ in the way you move

Makes me (6)_____ (7)_____ I can't live without you

And it (8)_____ me all the way

Now I want you to stay

The reason I hold on

Because I need this hole gone

Funny you're the broken one

But I'm the only one who needed saving

Because when you never see the light

It's hard to (9)_____ which one of us is caving

Not really sure how to feel about it

Something in the way you move

Makes me feel like I can't live without you

And it takes me all the way

I want you to stay, stay

I want you to stay
