

Stay by Rihanna

All along it was a fever
A cold sweat hot-headed believer
I threw my hands in the air
Said show me something
He said if you dare come a little closer
(1)_____ and around and around and around we go
Oh now tell me, now tell me now, tell me now, you know
Not (2)_____ sure how to feel about it
Something in the way you move
Makes me feel like I can't live without you
And it takes me all the way
I want you to stay
It's not much of a life you're living
It's not just something you take it's given
Round and around and around and around we go
Oh now tell me now, tell me now, tell me now, you know
Not (3)_____ (4)_____ how to feel about it
Something in the way you move

Fill in the gaps

(5)_____ me (6)_____ like I can't live without you

And it takes me all the way
Now I (7)_____ you to stay
The reason I hold on
Because I need this hole gone
Funny you're the broken one
But I'm the only one who needed saving
Because when you never see the light
It's (8)_____ to know which one of us is caving
Not (9)_____ sure how to feel (10)_____ it
Something in the way you move
Makes me feel like I can't live without you
And it takes me all the way
I want you to stay, stay
I want you to stay
