

## Fill in the gaps

### When you say nothing (BSO Nothing Hill) by Ronan Keating

It's amazing how you can speak  
Right to my heart  
Without saying a word, you can (1)\_\_\_\_\_ up the dark  
Try as I may, I can never explain  
What I hear when you don't say a thing  
The smile on your face lets me know  
That you need me  
There's a truth in (2)\_\_\_\_\_ eyes  
(3)\_\_\_\_\_ you'll (4)\_\_\_\_\_ leave me  
The touch of your (5)\_\_\_\_\_ says  
You'll catch me whenever I fall  
Because you say the (6)\_\_\_\_\_ when you say nothing at  
all  
All day (7)\_\_\_\_\_ I can hear people  
Talking out loud  
But when you hold me near  
You can (8)\_\_\_\_\_ out the crowd  
Try as they may, they could never define  
What's been said (9)\_\_\_\_\_ (10)\_\_\_\_\_ heart  
and mine  
The smile on your face lets me know  
That you (11)\_\_\_\_\_ me  
There's a truth in your eyes  
Saying you'll never (12)\_\_\_\_\_ me  
The touch of your (13)\_\_\_\_\_ says

You'll catch me whenever I fall  
Because you say the best when you say nothing at all  
The smile on your face lets me know  
That you need me  
Because there's a truth in your eyes  
Saying you'll (14)\_\_\_\_\_ leave me  
And the (15)\_\_\_\_\_ of (16)\_\_\_\_\_ (17)\_\_\_\_\_  
says  
You'll (18)\_\_\_\_\_ me whenever I fall  
Because you say the (19)\_\_\_\_\_ when you say nothing at  
all  
You say the (20)\_\_\_\_\_ when you say nothing at all  
You say the best when you say nothing at all  
The smile on your face  
That look in your eyes  
The touch of your hand  
Let me (21)\_\_\_\_\_ that you need me  
You say the best when you say nothing at all  
You say the best (22)\_\_\_\_\_ you say nothing at all  
The smile on your face  
That look in your eyes  
The touch of your hand  
Let me know that you (23)\_\_\_\_\_ me

## Fill in the gaps

### Answer

1. light
2. your
3. Saying
4. never
5. hand
6. best
7. long
8. drown
9. between
10. your
11. need
12. leave
13. hand
14. never
15. touch
16. your
17. hand
18. catch
19. best
20. best
21. know
22. when
23. need
