

Fill in the gaps

When you say nothing (BSO Nothing Hill) by Ronan Keating

It's amazing how you can speak	You'll (5) me whenever I fall
Right to my heart	Because you say the best when you say nothing at all
Without saying a word, you can light up the dark	The smile on (6) (7) lets me know
Try as I may, I can never explain	That you need me
What I hear (1) you don't say a thing	Because there's a truth in your eyes
The smile on your face lets me know	Saying you'll never (8) me
That you need me	And the touch of your hand says
There's a truth in your eyes	You'll catch me whenever I fall
Saying you'll never leave me	Because you say the best when you say nothing at all
The touch of your hand says	You say the best when you say nothing at all
You'll catch me whenever I fall	You say the (9) when you say nothing at all
Because you say the best when you say	The smile on your face
(2) at all	That look in your eyes
All day long I can hear people	The touch of your hand
Talking out loud	Let me know that you need me
But when you hold me near	You say the best when you say nothing at all
You can drown out the crowd	You say the (10) when you say nothing at all
Try as they may, they could never define	The smile on your face
What's been said (3) your heart and mine	That look in your eyes
The smile on your face lets me know	The touch of your hand
That you need me	Let me know that you need me
There's a truth in your eyes	
Saying you'll never leave me
