# With You by Chris Brown

## Fill in the gaps

I need you boo
I gotta see you boo
And there's hearts all over the world tonight
Said there's (1) all over the world tonight
I need you boo
I gotta see you boo
And there's hearts all over the world tonight
Said there's hearts all over the world tonight
Hey lil mama, ooh you're a stunner
Hot little figure, yes you a winner, and
I'm so glad to be yours
You're a class of your own and
Ooh little cutie, when you talk to me
I swear the whole world stops
You're my sweetheart and
I'm so glad that you're mine
You are one of a kind, and
You mean to me what I mean to you
And together baby there is nothing we won't do
'Cause if I got you
I don't need money
I don't need cars
Girl you're my heart
And oh, I'm into you and
Girl no one else (2) do

With every kiss and every hug
