

## Fill in the gaps

### American Rejects by The All

<em>-So... (1)\_\_\_\_\_ me about your mother- (en algunas versiones)</em>  
</em>Doctor, doctor, (2)\_\_\_\_\_ you please just give me something  
For the state I'm in?  
I'm having (3)\_\_\_\_\_ and society believe  
I got it wrong again  
I'm one month sober  
I don't think I'm getting (4)\_\_\_\_\_ my predicament  
But if I (5)\_\_\_\_\_ out of the window what would she say?  
It's not on me, it's all on you  
We can't deny the things we do  
I can't believe her pretty (6)\_\_\_\_\_  
(7)\_\_\_\_\_ over me, all over me  
Help me, help me doctor  
It seems to be an awful lot for me to understand  
I know I'm not a specimen  
The troubles and the mess I'm in  
I should be dead  
He said, let's all think  
Then you've had all (8)\_\_\_\_\_ fun  
It's time to be a man  
So you (9)\_\_\_\_\_ quit your bitc\*ing  
Think about what the (10)\_\_\_\_\_ (11)\_\_\_\_\_ say  
It's not on me, it's all on you  
I can't (12)\_\_\_\_\_ what you want me to  
You need some sleep, you better leave  
He (13)\_\_\_\_\_ (14)\_\_\_\_\_ me, all over me  
(15)\_\_\_\_\_ until tomorrow, and it's gone  
So long

Wait until tomorrow, so long  
And it's gone  
Wait until tomorrow  
You beg and (16)\_\_\_\_\_ and borrow till it's gone  
-He don't got a lot but he's got all he needs-  
I need someone to love  
-And all he's got well it's all (17)\_\_\_\_\_ he needs-  
(18)\_\_\_\_\_ help me because  
I could hear the voices in the tube  
To get me through anything  
I do and anything will do good by me  
A little pill, a little thrill  
(19)\_\_\_\_\_ I take it? I think I will  
And (20)\_\_\_\_\_ will do good so  
As (21)\_\_\_\_\_ as it's always too good  
(22)\_\_\_\_\_ way I don't give a d\*mn  
What you people all say  
All now boy  
It's not on me, it's all on you  
I can't deny the things I do  
I can't (23)\_\_\_\_\_ her pretty feet  
Walked over me, all over me  
It's not on me, it's all on you  
There comes a time to (24)\_\_\_\_\_ the truth  
So you can see me when I leave  
Walk over you, all over you yeah

**Fill in the gaps**

**Answer**

1. tell
2. could
3. trouble
4. over
5. jumped
6. feet
7. Walked
8. your
9. better
10. people
