

## Fill in the gaps

Have you (1) my hands?	I hear the alarm
Just (2) at (3) shake	I (15) to hear (16) she would sleep in
And the song just (4) on repeating	my arms
(5) the (6) again	But (17) sense says:
And I (7) with your ghost	Hey, turn the record over
Oh, but that ain't the way	Hey, I'll see you on the flip-side
can't move on and I can't stay the same	There you go, (18) the key and
And all my (8) say:	(19) over
Hey, turn the record over	Let her go, let somebody else lay at her feet
Hey, I'll see you on the flip side	And all my friends say:
There you go, turn the key and engine over	Hey, turn the (20) over
Let her go, let (9) (10) lay at	Hey, I'll see you on the flip-side
er feet	(21) you go, turn the key and
But have you (11) my heart?	(22) over
Have you (12) how it bleeds?	Let her go, let somebody (23) lay at her feet
And the (13) are so long baby	Where you (24) to be
Out here in the deep	Where you used to be
The tick - (14) of hours, lonely	Where you used to be (25) (26) me
