

Fill in the gaps

(1) you seen my hands?		I (4) the alarm	
Just look at them shake		I used to hear (5) she would (6) i	n
And the song just keeps on repeating		my arms	
Drop the needle again		But better sense says:	
And I dance with (2) ghost		Hey, turn the record over	
Oh, but that ain't the way		Hey, I'll see you on the flip-side	
I can't move on and I can't stay the same		There you go, turn the key and engine over	
And all my friends say:		Let her go, let somebody else lay at her feet	
Hey, turn the record over		And all my friends say:	
Hey, I'll see you on the flip side		Hey, turn the record over	
There you go, turn the key and (3)	over	Hey, I'll see you on the flip-side	
Let her go, let somebody else lay at her feet		There you go, turn the key and engine over	
But have you seen my heart?		Let her go, let somebody else lay at her feet	
Have you seen how it bleeds?		Where you used to be	
And the nights are so long baby		Where you (7) to be	
Out here in the deep		Where you used to be here (8) me	
The tick - ticking of hours, lonely
