

## Fill in the gaps

## You had me at hello by A day to remember

rm missing you so much	And I'm wasting away, away from you
I'll see you die tonight	What (7) I gotten into this time around?
Just so I can get to you before the sun will rise	I know that I had sworn I'd never trust (8)
I know the signs are on and I feel this too	again
None of that seems to (1) when I'm holding	But I didn't have to
you	You had me at hello
And I'm wasting away, away from you	-You gave me butterflies at the mailbox-
And I'm wasting away, away from you	You had me at hello
What have I gotten into this (2) around?	-You (9) me butterflies at the mailbox-
I know that I had sworn I'd never trust anyone again	You had me at hello
But I didn't have to	(bis)
You had me at hello	What have I gotten into this time around?
I've never (3) a (4)	I know that I had sworn I'd never trust anyone
That can light the (5) like yours	(10)
It's simply radiant	But I didn't have to
It's even more with everyday that goes by	You had me at hello
I watch the clock so I can make my timing just right	You had me at hello
Would it be okay? Would it be okay?	You had me at hello
If I took your breath away	
And I'm wasting away, (6) from you
