Fill in the gaps

You had me at hello by A day to remember

rm missing you so much	And I'm wasting away, away from you
I'll see you die tonight	What have I (8) into this time around
Just so I can get to you before the sun will rise	I know that I had sworn I'd never trust anyone again
I know the signs are on and I feel this too	But I didn't have to
None of that (1) to matter when I'm holding you	You had me at hello
And I'm wasting away, away from you	-You gave me butterflies at the mailbox-
And I'm (2) away, away from you	You had me at hello
What have I gotten into (3) time around?	-You gave me butterflies at the mailbox-
I know that I had sworn I'd never trust anyone again	You had me at hello
But I didn't have to	(bis)
You had me at hello	What (9) I gotten into this time around?
I've (4) seen a smile	I know that I had sworn I'd never trust anyone again
That can light the room like yours	But I didn't (10) to
It's simply radiant	You had me at hello
It's (5) more with everyday that goes by	You had me at hello
I watch the (6) so I can make my timing just	You had me at hello
right	
Would it be okay? Would it be okay?	
If I took your breath away	
And I'm wasting away, (7) from you
