The River by Good Charlotte

Fill in the gaps

As I walk (1) the valley	And if they don't you'll know.
Of the shadow of LA	They say that evil come disguised
The footsteps that were next to me	Like a city of angels,
Have gone their seperate ways	I'm walking towards the light
I've (2) enough now to know	Baptized in the river
That beautiful things	I've seen a vision of my life
Don't always stay that way	And I (9) to be delievered
I've (3) enough now to know	In the city was a sinner
This beautiful place isn't everything they say	I've done a lot of things wrong
I heard that evil comes disguised	But I swear I'm a believer
Like a city of angels	Like the prodigal son
Im (4) towards the light	I was out on my own
Baptized in the river	Now im trying to find my way back home
I've (5) a vision of my life	Baptized in the river
And I want to be delievered	I'm delievered
In the city was a sinner	I'm delievered
I've done a lot of things wrong	Baptized in the river.
But i (6) im a believer	On my own.
Like the prodigal son	Baptized in the river.
I was out on my own	On my own.
Now im trying to find my way back home	I wanna be delivered.
Baptized in the river	On my own.
I'm delievered	On my own.
I'm delievered	Baptized in the river.
Your from a small town.	On my own.
Your gonna grow up fast underneath these lights.	I wanna be delivered.
Down in Hollywood on the boulevard the dead come back to	I confess I'm a sinner.
life.	I've seen a vision of my life and I wanna be delivered
To the praying (7) and the worried father, let	
your children go.	
If they (8) back they'll come home stronger.
