The River by Good Charlotte

If they come back they'll come home stronger.

Fill in the gaps

As I walk through the valley	And if they don't you'll know.
Of the shadow of LA	They say that evil come disguised
The footsteps that were next to me	Like a city of angels,
Have gone their seperate ways	I'm walking towards the light
've seen enough now to know	Baptized in the river
That (1) things	I've seen a vision of my life
Don't always stay that way	And I want to be delievered
ve done enough now to know	In the city was a sinner
This beautiful (2) isn't everything they say	I've done a lot of things wrong
heard that evil comes disguised	But I swear I'm a believer
Like a (3) of angels	Like the prodigal son
m walking towards the light	I was out on my own
Baptized in the river	Now im trying to (8) my way back home
've seen a (4) of my life	Baptized in the river
And I want to be delievered	I'm delievered
n the city was a sinner	I'm delievered
ve done a lot of things wrong	Baptized in the river.
But i swear im a believer	On my own.
Like the prodigal son	Baptized in the river.
was out on my own	On my own.
Now im trying to (5) my way back home	I wanna be delivered.
Baptized in the river	On my own.
'm delievered	On my own.
'm delievered	Baptized in the river.
Your from a small town.	On my own.
Your gonna grow up fast underneath these lights.	I wanna be delivered.
Down in (6) on the boulevard the	I confess I'm a sinner.
(7) come back to life.	I've seen a (9) of my life and I wanna be
To the praying mother and the worried father, let your children	delivered.
