

Fill in the gaps

(1) me closer one more time	But now the sky is clearer and it's blue
Say that you love me in your (2) goodbye	And I see my future in it you
Please forgive me for my sins	I'll be waiting for you
Yes, I swam dirty waters	When you're ready to love me again
But you pushed me in	I put my hands up
I've seen your (3) (4) every sky	I'll do everything different
Over every border and on (5) line	I'll be better to you
You know my heart more than I do	I'll be (16) for you
We (6) the greatest, me and you	When you're ready to love me again
But we had time against us	I put my hands up
And miles between us	I'll be somebody different
The (7) cried	(17) against us
I (8) I left you speechless	Miles between us
But now the sky is (9) and it's blue	Heavens cried
And I see my (10) and in it you	I know I (18) you speechless
I'll be waiting for you	Time against us
(11) you're ready to love me again	Miles between us
I put my hands up	Heavens cried
I'll do everything different	I know I left you speechless
I'll be better to you	I know I left you speechless
I'll be waiting for you	But I'll be waiting
When you're ready to (12) me again	I'll be waiting for you
I put my (13) up	When you're ready to love me again
I'll be somebody different	I put my hands up
Let me stay (14) for just one more night	I'll do everything different
Build your arms (15) me	I'll be better to you
You better pull me to the light	I'll be waiting for you
So I can show you that I was wrong	W hen you're ready to love me again
Since I was a child then	I put my hands up
But now I'm willing to learn	I'll be somebody different
It's been the time against us	I'll be better to you
Miles between us	
The heavens cried	
I know I left you speechless
