Skyfall (BSO James Bond) by Adele

This is the end	At skyfall
Hold your breath and count to ten	-Let the skyfall, (15) it crumbles
(1) the earth (2) and then	We will (16) tall
Hear my heart burst again	Let the skyfall, when it crumbles
For this is the end	We will stand tall-
I've drowned and dreamt (3) moment	Where you go I go
So overdue I owe them	What you see I see
Swept away, I'm stolen	I know I'd (17) be me
Let the skyfall when it crumbles	Without the (18) of (19)
We (4) stand tall	loving arms
(5) it all together	Keeping me from harm
Let the skyfall, (6) it crumbles	Put (20) (21) in my hand
We will (7) tall	And we'll stand
Face it all together	Let the skyfall, when it crumbles
At skyfall, at skyfall	We will (22) tall
Skyfall is (8) we start	Face it all together
A (9) miles and poles apart	Let the skyfall, when it crumbles
Where worlds collide and (10) are dark	We will stand tall
You may have my number	Face it all together
You can (11) my name	Let the skyfall, when it crumbles
But you'll never (12) my heart	We (23) stand tall
Let the skyfall, when it crumbles	Face it all together
We will stand tall	At skyfall
Face it all together	Let the skyfall
At skyfall, at skyfall	We will stand tall
Let the skyfall, (13) it crumbles	At skyfall
We (14) stand tall	
Face it all together
