Face it all together

Fill in the gaps

Skyfall (BSO James Bond) by Adele

This is the end	At skyfall
Hold your breath and count to ten	-Let the skyfall, when it crumbles
Feel the earth (1) and then	We will (7) tall
Hear my heart burst again	Let the skyfall, when it crumbles
For this is the end	We will (8) tall-
I've drowned and dreamt this moment	Where you go I go
So overdue I owe them	(9) you see I see
Swept away, I'm stolen	I know I'd never be me
Let the skyfall when it crumbles	Without the (10) of your loving arm
We will stand tall	Keeping me from harm
(2) it all together	Put your hand in my hand
Let the skyfall, when it crumbles	And we'll stand
We will stand tall	Let the skyfall, when it crumbles
Face it all together	We will stand tall
At skyfall, at skyfall	Face it all together
Skyfall is where we start	Let the skyfall, when it crumbles
A thousand miles and poles apart	We will stand tall
Where (3) collide and days are dark	Face it all together
You may have my number	Let the skyfall, when it crumbles
You can (4) my name	We will stand tall
But you'll (5) have my heart	Face it all together
Let the skyfall, when it crumbles	At skyfall
We (6) stand tall	Let the skyfall
Face it all together	We will stand tall
At skyfall, at skyfall	At skyfall
Let the skyfall, when it crumbles	
We will stand tall
