But if only you could see them	CHORUS
You would (1) from (2) faces	Paradise, yeah

Followed by princes and princesses	(Paradise) coming at you like a hurricane would
There were future power people	(Paradise) stay close to me I'll always be by your side
Throwin love to the loveless	Save it, baby, you know that it's all right
Shining a light 'cause they wanted it seen	(Paradise) you remind me of a girl I knew paradise
Well, there were cries	(Paradise) born so beautiful once aside her
Well, (4) were cries of why	(Paradise) you make me feel like I need your love, love, love
Followed by cries of why	Want to fill me with your love
Followed by cries of why not	Fix me with your love, all right
Can I reach out for you if that feels good to me?	CHORUS
CHORUS	CHORUS
And the riders will not stop us	Oh, we'll be livin' in a paradise
'Cause the only love they'll (5) is paradise	Damn well then make you feel surely

'Cause the (6) love they'll (7) is	Give myself to you
paradise (paradise, yeah)	And if you change your mind
Mm, don't you know that racism in among future kings	I'll do anything
Can only lead to no good? (to no good)	Just to make the world peaceful
Besides your, (8) and daughters (sons and	Just to make life wonderful

Already know how that feels, one day	In a future love paradise
One day (One day)	Future love paradise
All the queens will (9) round	Future love paradise
Spreading love and unity so we can be found	Damn, well, then make you feel surely
Well then all the writers say it's all to do (10) drugs	Like you've never felt before
