future			I don't wanna say goodnight
And all my worries, they don't bother you			The city comes alive when we're together
Collected, you render me useless			Why can't Thursday last forever?
But I carry on			I don't wanna say goodnight
Right now, I think that you think that			I've never been so sure
I'm half-drunk, searching for something of substance			Just do it for the memories
To casually dropping a line designed			Do it for Baltimore
To keep you next to me			And do it for me
I can't awkwardly craft an advance			Do it for me
I know that you wouldn't fall for that			Mayday situation overload
You say, "shut up and take my hand"			I'm restless, obsessed (8) your future
And we carry on			And all my worries, (9) don't bother yo
