

Fill in the gaps

Your time will come by Amy Macdonald

Oh, the wind is gently blowing	It disappears (5) time to time
As the light begins to fade	But I (6) in you
I'm sick and tired of playing it off	And (7) (8) ever
Sick of this parade	do
And your eyes are (1) weeping	So soon your time will come
As the sun begins to shine	Get out while you're still young
The end is coming far too soon	May all (9) dreams come true for someone
I wish I had more time	(10) you
So soon your time will come	So soon your time will come
Get out while you're still young	Get out while you're still young
May all your dreams come true for someone like you	May all your dreams come true
So soon your time will come	So happy for you
Get out (2) you're (3) young	So soon your time will come
May all your dreams come true	Get out while you're still young
So happy for you	May all your dreams come true for someone like you
Oh my eyes are getting tired	So soon your time will come
As the day (4) to break	Get out while you're still young
I left it all so far behind	May all your dreams come true
My biggest mistake	So happy for you
And your smile is not like mine
