

Fill in the gaps

Your time will come by Amy Macdonald

On, the wind is gently blowing	it disappears from time to (15)
As the light begins to fade	But I believe in you
I'm (1) and tired of (2) it off	And everything you'll ever do
Sick of this parade	So soon your (16) will come
And (3) eyes are gently (4)	Get out while you're still young
As the sun begins to shine	May all your dreams (17) true for someone
The end is coming far too soon	(18) you
I (5) I had more time	So soon your time will come
So soon your time (6) come	Get out while you're still young
Get out while you're (7) young	May all your dreams come true
May all your dreams come (8) for	So happy for you
(9) like you	So soon (19) time will come
So soon your (10) will come	Get out while you're still young
Get out while you're still young	May all your dreams (20) (21) for
May all your dreams come true	someone like you
So happy for you	So (22) your time (23) come
Oh my eyes are getting tired	Get out (24) you're still young
As the day (11) to break	May all your dreams (25) true
I (12) it all so far behind	So (26) for you
My biggest mistake	
And (13) (14) is not like mine
