

And your smile is not like mine

## Fill in the gaps

## Your time will come by Amy Macdonald

Oh, the wind is gently blowing	It (4) from (5) to
As the light begins to fade	(6)
I'm sick and tired of playing it off	But I believe in you
Sick of this parade	And (7) you'll ever do
And your eyes are gently (1)	So soon your time will come
As the sun begins to shine	Get out while you're still young
The end is coming far too soon	May all your dreams come true for someone like you
I wish I had more time	So soon your time will come
So soon your time will come	Get out while you're still young
Get out while you're still young	May all your dreams come true
May all (2) dreams come true for someone like	So happy for you
you	So (8) your time will come
So soon your time will come	Get out while you're still young
Get out while you're still young	May all your dreams (9) true for someone like you
May all your dreams come true	So soon (10) time will come
So happy for you	Get out while you're still young
Oh my eyes are getting tired	May all your dreams come true
As the day (3) to break	So happy for you
I left it all so far behind
