Fill in the gaps

| Many (1) I've tried to tell you | For worse or for better |
|-------------------------------------|--------------------------------------|
| Many (2) I've cried alone | We belong, we belong |
| Always I'm surprised how (3) you | We belong together |
| Cut my feelings to the bone | Close your eyes and try to sleep now |
| Don't wanna leave you really | Close your eyes and try to dream |
| I've (4) too much time | Clear your mind and do your best |
| To give you up that easy | To try and (7) the palette clean |
| To the doubts that (5) your mir | nd We can't begin to know it |
| We belong to the light | How much we (8) care |
| We belong to the thunder | I (9) your voice inside me |
| We belong to the sound of the words | I see your face everywhere |
| We've both fallen under | Still you say |
| Whatever we deny or embrace | We belong to the light |
| For worse or for better | We belong to the thunder |
| We belong, we belong | We belong to the sound of the words |
| We belong together | We've both fallen under |
| Maybe it's a sign of weakness | Whatever we deny or embrace |
| When I don't know what to say | For worse or for better |
| Maybe I just wouldn't know | We belong, we belong |
| What to do with my strength anyway | We belong together |
| Have we become a habit | We belong to the light |
| Do we distort the facts | We belong to the thunder |
| Now there's no looking forward | We belong to the sound of the words |
| Now there's no turning back | We've both fallen under |
| When you say | Whatever we deny or embrace |
| We belong to the light | For worse or for better |
| We belong to the thunder | We belong, we belong |
| We belong to the sound of the words | We belong together |
| We've (6) fallen under | |
