

Fill in the gaps

Many times I've (1) to (2) you	For (19)
Many (3) I've cried alone	We belong, we belong
Always I'm surprised how well you	We belong together
Cut my feelings to the bone	Close your (20)
Don't (4) (5) you really	Close your eyes and tr
I've (6) too much time	Clear your mind and d
To give you up (7) easy	To try and wash the pa
To the doubts that complicate (8) mind	We can't begin to know
We belong to the light	How (21) w
We belong to the thunder	I hear your voice inside
We belong to the (9) of the words	l see (22) fa
We've both (10) under	Still you say
Whatever we deny or embrace	We belong to the light
For worse or for better	We (23)
We belong, we belong	We belong to the (24)
We belong together	We've both fallen unde
Maybe it's a sign of weakness	Whatever we deny or e
When I don't know what to say	For (25)
Maybe I just wouldn't know	We belong, we belong
What to do (11) my strength anyway	We belong together
Have we (12) a habit	We belong to the light
Do we (13) the facts	We belong to the thun
Now there's no (14) forward	We (26)
Now there's no turning back	We've both fallen unde
When you say	Whatever we deny or e
We belong to the light	For worse or for better
We (15) to the thunder	We belong, we belong
We (16) to the (17) of the words	We belong together
We've (18) fallen under	
Whatever we deny or embrace	

or for better g ____ and try to sleep now try to dream do your best palette clean w it we really care le me face everywhere ___ to the thunder 4)_____ of the words ler embrace or for better g nder ____ to the (27)______ of the words der embrace er g
