Many times I've tried to (1) you	For (9) or
Many times I've cried alone	We belong, we belong
Always I'm surprised how well you	We (10)
Cut my feelings to the bone	Close your eyes and try
Don't wanna (2) you really	Close your eyes and try
I've invested too much time	Clear (12) (
To (3) you up (4) easy	To try and (14)
To the doubts that complicate (5) mind	We can't (16)
We belong to the light	How much we (17)
We belong to the thunder	I (18) your vo
We (6) to the sound of the words	I see (19) fac
We've both fallen under	Still you say
Whatever we deny or embrace	We belong to the light
For worse or for better	We belong to the thunde
We belong, we belong	We belong to the sound
We belong together	We've both (20)
Maybe it's a sign of weakness	Whatever we deny or er
When I don't know what to say	For (21) o
Maybe I just wouldn't know	We belong, we belong
What to do with my strength anyway	We (22)
Have we (7) a habit	We belong to the light
Do we (8) the facts	We belong to the thunde
Now there's no looking forward	We belong to the sound
Now there's no turning back	We've both (23)
When you say	Whatever we deny or er
We belong to the light	For worse or for better
We belong to the thunder	We belong, we belong
We belong to the sound of the words	We (24)
We've both fallen under
