

Whatever we deny or embrace

## Fill in the gaps

Many times I've tried to (1) you	For worse or for better
Many times I've (2) alone	We belong, we belong
Always I'm surprised how well you	We belong together
Cut my feelings to the bone	Close (12) eyes and try to (13) now
Don't wanna leave you really	Close your (14) and try to dream
I've (3) too much time	Clear your (15) and do your best
To give you up that easy	To try and wash the palette clean
To the (4) that complicate (5) mind	We can't begin to know it
We belong to the light	How much we really care
We belong to the thunder	I hear your voice (16) me
We (6) to the sound of the words	I see your face everywhere
We've (7) fallen under	Still you say
Whatever we deny or embrace	We (17) to the light
For (8) or for better	We belong to the thunder
We belong, we belong	We belong to the (18) of the words
We belong together	We've (19) (20) under
Maybe it's a sign of weakness	Whatever we deny or embrace
When I don't know what to say	For (21) or for better
Maybe I (9) wouldn't know	We belong, we belong
What to do (10) my strength anyway	We belong together
Have we become a habit	We belong to the light
Do we distort the facts	We belong to the thunder
Now there's no looking forward	We belong to the sound of the words
Now there's no (11) back	We've both fallen under
When you say	Whatever we (22) or embrace
We belong to the light	For worse or for better
We belong to the thunder	We belong, we belong
We belong to the sound of the words	We (23) (24)
We've both fallen under
